REGULATIONS TRANSFER STATIONS

**** Check with Operator Before Unloading**
Station Operator will inspect each load before unloading.

Solid Waste accepted from Rate Payers from the following areas only:
Cardston County - County of Warner - Town of Raymond - Town of Magrath
Town of Cardston - Town of Milk River - Village of Stirling - Village of Warner
Village of Coutts - Village of Glenwood - Village of HillSpring - Blood Reserve

Transfer Station Operators to be on site when station is open to the public.

Transfer Station Operators to check all loads and direct public as per regulations.

Turn off vehicle while unloading in station

**Please ensure that all garbage is secured while transporting to the
Transfer Stations.**

Children to remain in vehicle while unloading.

A. WASTE TYPES TO BE STORED OR PLACED IN TRANSFER STATIONS

1. Domestic Garbage Only.
2. No liquid wastes will be accepted at transfer stations.
3. No person shall dispose of toxic or hazardous wastes, such as flammable liquid or solid or any substance considered to be toxic or hazardous.
4. All white goods or metal scrap or wood scrap to be disposed of at a Special Waste Site Location. (SEE "B")
5. Large items such as p.v.c. pipe, vinyl siding etc. to be broken into 4-ft. pieces. Placement of larger items such as couches, mattresses, box springs, rolls of carpet, large volumes of plastic sheeting such as silage cover etc., or other such items (as determined by the operator) are to be placed separately against right-hand side of building (outside only if there is not sufficient room in the building).
6. Asphalt shingles, renovation and other construction materials are no longer accepted at the Transfer Stations. These may be brought out to the Landfill Site directly. There is a disposal fee for these items.
7. Twine - to be piled separately as directed by Station Operator.

8. Burning barrels or contents will be refused unless completely extinguished. Do not place burning barrel contents or any ashes on domestic garbage. Place contents or ashes as directed by Station Operator.
9. Small animals will be accepted only if placed and sealed in plastic bags. Larger animals will not be accepted.
10. No person shall dispose of straw, hay, rock, brick, cement or dirt at transfer station sites.
11. At stations and compounds, there is to be no scavenging permitted, unless authorized by the Municipality in charge. All items or waste placed in the stations or at the station site becomes the property of Chief Mountain Regional Solid Waste Authority.

B. SPECIAL WASTE SITE LOCATIONS - (WHITE GOODS COMPOUNDS)

Larger material or hard to handle waste such as car or truck bodies, fridges, stoves, or other appliances to be taken to Special Waste Sites located in Cardston, Hillspring-Glenwood and Magrath. The Milk River/Coutts, Warner, Raymond and New Dayton sites also have white goods sites, but do not take car or truck bodies.

1. Sorting & storage of white goods & scrap metals as follows:
 - a. White goods in one pile.
 - b. Scrap in one pile.
 - c. All refrigerators and freezers should be lined up sitting upright with the back of unit easily accessible to technicians in separate area.
 - d. Car bodies in separate area - Follow Calgary Metals scrap acceptance policy when accepting car bodies.
2. No Farm Machinery will be accepted at any of the white goods sites.
3. Calgary Metal (only) to remove scrap metal from the above sites.

C. SPECIAL BURNING SITES AT CARDSTON, HILLSPRING/GLENWOOD, MAGRATH, WARNER, MILK RIVER/COUTTS, NEW DAYTON AND WRENTHAM

WILL ACCEPT:

1. Only wastes defined as burnable debris in the Clean Air Regulations will be allowed at the burning sites, i.e. trees, branches, garden waste, straw, grass, wooden construction material, etc.
2. Wood must not be treated. Treated wood may be delivered directly to the Landfill Site. There will be a disposal fee.
3. Transfer Stations without Special Burning sites, must direct all burnable debris to a special burning site that is set up to handle this material.

WILL NOT ACCEPT:

1. Waste as defined as prohibited debris in the Clean Air Regulations, i.e. construction and demolition waste, rubber or plastic, used oils, asphalt shingles, cement, chemicals, wire, manure, etc.

D. REFRIGERATION, FREEZER AND AIR CONDITIONING UNITS

The following regulation applies before the disposal of a refrigeration, freezer or air conditioning unit is permitted at one of the White Goods Sites located at Cardston, Hillspring/Glenwood or Magrath, Raymond, Milk River/Coutts, Warner and New Dayton sites.

1. There will be a charge of \$30.00 for each refrigeration unit disposed of at one of the white goods sites. Payment is to be made at the local Town, Village or Municipality office and a receipt must be presented to the operator of the disposal site before the refrigeration unit can be accepted.

E. TIRES ACCEPTED AT CARDSTON, MAGRATH, RAYMOND, HILLSPRING/GLENWOOD, MILK RIVER/COUTTS, WARNER AND NEW DAYTON STATIONS

1. No tires will be accepted in the Transfer Station Buildings.
2. Tires mounted on rims will not be accepted.
3. Tires are to be piled in a gravel area accessible to a large truck and trailer.

F. E-WASTE COLLECTION PROGRAM

Chief Mountain Regional Solid Waste Authority no longer accepts televisions and computers (Including hard drives, mouse, keyboards & monitors). The following communities have societies or groups that collect these items and use the funds generated to run their facilities:

Cardston	The Cardston and District Association for the Handicapped Phone: (403)653-3766 Location: 639 – 2 nd Avenue East
Magrath	Southern Alberta Society for the Handicapped Phone: (403)758-3334 Location: N/W corner of S/W ¼ 24-5-22-4
Raymond	Town of Raymond Phone: (403)752-3322 Location: Transfer Station
Milk River/Coutts	The Milk River Bottle Depot Phone: (403)647-2900 Location: 205 – 8 th Avenue NW
Warner	The Village of Warner Phone: (403)642-3877 Location: Transfer Station

G. PAINT RECYCLING PROGRAM

1. Check with Transfer Station Operator for proper disposal of paints
2. Those communities without a collection site are encouraged to save it for the round-ups

H. LITTER ON THE WAY TO THE TRANSFER STATIONS OR THE LANDFILL SITE IS NOT ACCEPTABLE.

Station attendants have been instructed to refuse loads not properly secured.

I. TRANSFER STATION OPERATORS HAVE THE RIGHT TO INSPECT ANY LOAD.

The Station Operator may refuse any waste that in the judgement of the Operator should be rejected by reason of unknown content that may be a hazard.

****NOTICE****

IF THESE REGULATIONS ARE NOT ADHERED TO, THE TOWN OR MUNICIPALITY IN QUESTION WILL BE RESPONSIBLE FOR THE COST OF CLEAN-UP.

THANK YOU FOR YOUR CO-OPERATION.
